Devon Farms

the Natural Holiday Choice!

w w w . d e v o n f a r m s . c o . u k

Welcome to Devon Farms, a co-operative of friendly, farming families who have been offering special bed and breakfast and self catering properties for over 23 years. There have been many changes in farming over these years, but the warm personal welcome and hospitality that is extended to you when you arrive on a Devon Farm, certainly hasn't changed. We have a common purpose and that is to offer you a personal, unique and authentic experience. We are happy to share our wealth of local knowledge and offer our best advice to make your stay a resounding success.

Quality is guaranteed at every Devon Farm, as they have all been officially graded by either Visit England or the AA.

Now that you have chosen a Devon Farm, welcome to the heart of the countryside. Whatever you are looking for our range of properties has something to suit everyone. From large country estates steeped in history, to recently converted barns and stables, traditional working farms where you can see the farmer going about his daily life, or quaint small holdings in spectacular rural surroundings. While some farms welcome your participation to help feed the lambs and collect the eggs, others offer you a unique chance to see cows being milked in parlours as well as by robots! You may even be lucky and experience the miracle of birth with lambs, calves or pigs being born, or chicks

cracking through their shells.

Devon is blessed with two stunning coastlines and an inner heartland of enormous diversity and beauty including the charming heather covered moorland of Exmoor and the magnificent, stunning expanses of Dartmoor.

Take a deep breath of the clean sea air, add a dash of the countryside and combine with your host's warm welcome, followed by a great night's sleep; you have created a recipe for a holiday filled with wonderful experiences! Come and join us for a memorable holiday or short break on a Devon Farm. We look forward to welcoming you.

We know you will enjoy browsing through the farms in our brochure and also on our comprehensive website at www.devonfarms.co.uk where you will also find our Late Availability and Special Offers. If you require help, or free advice, telephone or email Glenda (a real person). She will be happy to help you on **01769 560796** or **enquiries@devonfarms.co.uk**.

EASY TO FIND HOLIDAYS in stunning locations

This brochure is split into two sections, Bed & Breakfast and Self Catering. Each advert has a numbered blue or orange circle within it which corresponds to a similar coloured circle on the map in the centre pages. This shows the location of the holiday accommodation you are interested in. Some adverts have a split blue and orange circle denoting that the property offers both Bed & Breakfast and Self Catering holidays.

JOIN US FOR A SHORT BREAK

and experience the changing seasons

Make the most of Devon's countryside by avoiding the crowds and visit us for a short break before or after the school holidays. Most of our farms are open all year and some offer short breaks throughout the year too. Special Offers and our Late Availability can be found on our website. You can contact your chosen farm direct, or visit our comprehensive website www.devonfarms.co.uk where you will find more detailed information about your chosen farm.

w w w . d e v o n f a r m s . c o . u k

In spring, Devon's valleys, hedgerows and woodlands are bursting into life - carpeted with bluebells, daffodils, snowdrops and primroses. It's not just the flora but the fauna that is filling our Devon fields with activity too! Look out for the gambolling lambs and the young calves out with their mothers.

In summer, enjoy many festivals, local agricultural shows and quaint village fêtes. Pack some delicious local food and head off to the beaches or moors. Why not sit by a babbling brook for a picnic to remember? On a balmy summer evening savour a glass of wine with your barbecue whilst watching the swallows nesting and feeding their young.

In autumn, delight at the changing colours of our glorious Devon landscape. It heralds the end of the farmers' harvests, the perfect time for the walker and cyclist to explore our numerous coastal paths and cycle routes. Surfers can catch some terrific waves on our award winning beaches and families can marvel at our colourful carnivals.

In winter you can take a bracing walk or ride over our moors, beaches, numerous footpaths and bridleways where the freedom is yours to roam far from the madding crowd. (Some of our farms offer keep for your horse too). Enjoy delicious food offered by our many village pubs or simply return to your chosen farm with glowing log fires and a hearty meal attentively cooked by your host.

WHAT DO THE symbols mean

Ratings are given indicating extent and quality of facilities. In addition Gold and Silver accolades are awarded for an outstanding level of service.

Bed & Breakfast and Self Catering Ratings

The map opposite shows where all Devon Farms members' properties are located. The coloured and numbered circles on each advert correspond to a location on the map allowing you to plan your holiday with the minimum of fuss. Should you wish to find out more information please contact your chosen farm direct.
